1. MEETINGS	ACTION
<p>Frustration expressed by all at how this meeting had been co-ordinated All happy to meet regularly/ monthly, in peoples' homes and have fixed dates to work towards. Suggestions for the nature of these dates were</p> <ul style="list-style-type: none"> • The 20th or nearest date to • Every full moon!! • Every last Wed in an even month and every last Thurs in an odd month <p>This last suggestion was most approved and should be put to others If we go with one of these can we get auto reminders via website? Meetings in day discussed and deemed not an impossibility given how most of us work.</p>	<p>Dan Ed</p>
<p>2. CLIMATE CHANGE EVENT – MILLENIUM SQ SAT 25th</p>	
<p>Sally and Dan both attended Most stalls were more about campaigning than grass roots Trans Bristol stall there People were unlikely to be converted at an event like this Transition offers a dialogue, it can inspire both locally and nationally and is dynamic</p>

4. WINTER FAIR (WF)	
<p>Sally has had two replies from people on Bean feast team being TM events group A proposed date for WF is Saturday 19th December. Simon has put in street closure application. Simon is confident that many people from the Halloween team will be part of WF team and has been discussed in meetings [A point from Dan here: Be mindful of how will draw in and welcome in people from other streets who are keen for a wider Montpelier event such as WF]</p> <p><i>Re: Cadbury Chris proposal</i></p> <ul style="list-style-type: none"> Another application for a Picton St Winter market has been put in by Chris for 12th Dec. 50 stalls, £25 per pitch Notice has been given to Picton St residents now of both events. Potentially confusing. (see below) Concern that his event could eclipse ours. We must be clear on what harm (if any) this could be doing Disappointment that we have not been consulted on this as Chris has consistently expressed interest in TM and donated to Bean Feast etc. BCC have suggested that if two applications are in they will award to first come first served and ours was in first! We need to talk to him 	<p>Sally</p>
5. YORK ROAD HALLOWEEN PARTY	
<p><i>Re: TM stall / presence</i> Sally will do, Bronwen can help and Jess Have info on: AoS film, energy project, newsletters, previous events, Bean Feast follow up, Winter Fair recruitment and awareness, Trans Mont sign</p>	<p>Dan, Sally</p>
6. AOB	
<p>Another open meeting before Christmas? We could do it on energy and follow up Simons home improvements workshops. [Not mentioned but a Dan addition. Such a meeting with Helen of CSE could be the logical follow up to the AoS film. w/c 30th Dec = 2 weeks after Wed 2nd?</p>
