

**Big Open Meeting: Fairfield Resource Centre
Thursday 24th March, 7 - 9pm. All welcome.**

Worrying about all the *grizzly* CUTS?...

Get together with neighbours to work out how take
the edges off.

Streets:

Montpelier's streets
are 'cool' but they can also
be safer for kids, more fun,
room to play in, street
parties, less dog sh*t...

Food:

Growing groups are
planting food and trees all
over Montpelier... it's fun, they
need help to do more, come
and join in...

Gas and Electric:

working together to keep our
homes cosy in hard times and
growing bills. It's not rocket
science, let's work it out...

YOU:

got any ideas, energy
or time? Everyone is
needed...

Date: Thursday 24th March

Time: 7 - 9pm

Place: Fairfield Resource Centre, Fairfield Road, Montpelier
